

BRADY SULLIVAN PUBLIC PARKING GARAGE INFORMATION

The United States Bankruptcy Court neither manages, nor has any connection to,
the Brady Sullivan Public Parking Garage

- 1) As of 9/7/07, cash is no longer accepted for payment in the garage.

- 2) As of 8/22/07, anyone paying for use of the garage will be directed to use the Express Parc payment machine located at each of the exit lanes of the garage.
 - *The machine will prompt for the garage ticket with the magnetic strip up and to the right.
 - *The machine will calculate the charge and prompt for a credit card for payment (again requiring the magnetic strip to be face up and to the right).
 - *After the transaction is completed, the gate will rise and a receipt will be printed.

- 3) Anyone needing payment assistance may use the "Code Blue" intercom system located next to the Express Parc payment machine.
