

United States Bankruptcy Court
District of New Hampshire

**NOTICE REGARDING PUBLIC ACCESS TO
BANKRUPTCY CASE INFORMATION**

All documents filed with this court in a bankruptcy case are public records. These records may be viewed and copied by any person, unless otherwise ordered by the court. All dockets and filed documents are publically accessible at the courthouse located in Manchester. These public records may be available in paper or in electronic format, including over the Internet. Case information and dockets are currently available on the Internet through PACER (a system for public access to electronic court records) at www.pacer.psc.uscourts.gov or www.pacer.nhb.uscourts.gov. In the near future all filed documents will be available in electronic format over the Internet through CM/ECF PACER at the sites listed above. A login and password are needed to access information electronically through the Internet. Information obtained from paper or electronic files could be used for any purpose, including purposes unrelated to bankruptcy cases.
