

United States Bankruptcy Court  
District of New Hampshire

**NOTICE OF AMENDMENT TO OFFICIAL  
BANKRUPTCY FORMS**  
effective 12/1/01

The Judicial Conference of the United States has approved amendments to two Official Bankruptcy Forms, and further, has approved a delayed effective date for the amended forms of December 1, 2001.

COfficial Form 1 Voluntary Petition

COfficial Form 15 Order Confirming Plan

Official Form 1, the Voluntary Petition, has been amended to require the debtor to disclose whether the debtor owns any property that poses or is alleged to pose a threat of imminent and identifiable harm to public health or safety.

Official Form 15, the Order Confirming a Plan, was amended to conform to amendments to Rule 3020 of the Federal Rules of Bankruptcy Procedure which also are expected to become effective December 1, 2001. Those amendments will require that, if the plan provides for an injunction against conduct not otherwise enjoined under the Bankruptcy Code, the order of confirmation shall describe in reasonable detail all acts enjoined, to be specific regarding the injunction, and identify the entities subject to the injunction.

The amended forms are available on the Bankruptcy Court's web site at [www.nhb.uscourts.gov](http://www.nhb.uscourts.gov).
