

United States Bankruptcy Court
District of New Hampshire

PUBLIC NOTICE

02-5

FROM: George A. Vannah, Clerk

SUBJECT: **Service of Orders**

DATE: June 11, 2002

Effective Tuesday, June 11, 2002 the Clerk's Office will begin servicing all bankruptcy case orders through the Bankruptcy Noticing Center (BNC).

The orders served via the BNC will be full and complete copies of the original orders. The distribution of copies of signed bankruptcy case orders by mail directly from the Clerk's office in Manchester will be discontinued. The BNC will mail the orders from their central printing facility in Maryland.

Any attorney that is an electronic filer in the CM/ECF program can receive immediate notification of the entry of an order via E-Mail from the CM/ECF system. That notification allows the participant a free opportunity to view, download, and/or print documents immediately. Anyone interested in this feature in CM/ECF should register for a training session by completing the training registration form located on our web site, www.nhb.uscourts.gov.
