# PUBLIC NOTICE

03-04

FROM: George A. Vannah, Clerk

SUBJECT: CM/ECF Unavailable due to Upgrade

DATE: September 12, 2003

On October 6, 2003, the New Hampshire Bankruptcy Court's electronic case filing system (CM/ECF) will be upgraded from Version 1.8 to Version 2.2. The system will be **out of service** between the hours of **8:30 am, Friday, October 3, 2003, through 8:30 am, Monday, October 6, 2003**, while this upgrade takes place. No public access to the system will be available during those times. Please plan accordingly. The system should be ready for normal access again after 8:30 am on October 6. The clerk's office will accept paper documents from ECF filers to accommodate deadlines and emergency motions during these time frames.

While the basic functionality of the system will remain unchanged, you may notice some slight differences in some of the screens as you file pleadings with our court. No additional training is required. Detailed information regarding these changes will be posted on the ECF page of the court's web site, <[www.nhb.uscourts.gov](http://www.nhb.uscourts.gov)>.

As always, feel free to contact the Help Desk at 1-866-252-6323 if you have any questions about these enhancements.
