PUBLIC NOTICE

FROM: George A. Vannah, Clerk

SUBJECT: Parking Survey

DATE: April 28, 2006

At the request of the United States District Court for the District of New Hampshire we are conducting a study to determine the practicalities involved in moving the U.S. Bankruptcy Court to the Warren B. Rudman Courthouse in Concord. A relevant issue is court traffic particularly as it relates to the availability of parking in Concord. We are asking members of the public, parties, and members of the bar who visit our facilities to complete a short box-check style questionnaire on any day they come to the court, the clerk's office, or the 341 meeting room. The study will be conducted during the month of May. We ask your cooperation in determining how many individuals use the court during the month, and how many of these individuals required parking for a vehicle during the time of their court, clerk's office or 341 room visit. Thank you.
