

United States Bankruptcy Court  
District of New Hampshire

# **PUBLIC NOTICE**

## **07-02**

FROM: George A. Vannah, Clerk

SUBJECT: Pay.gov Security Code

DATE: January 18, 2007

Effective Thursday, February 1, 2007, the Pay.gov software which processes fee payments in CM/ECF will be updated. In addition to requiring users to enter their credit card account number, type of card and expiration date, the new software will require entry of the 3-digit security code located on the reverse side of the credit card following the account number. Beginning February 1, 2007, population of the security code field will be mandatory. This change will provide an additional level of security in an effort to protect credit card holders from erroneous charges. Please notify the appropriate personnel on your staff of this change.
