

United States Bankruptcy Court
District of New Hampshire

PUBLIC NOTICE

12-01

FROM: George A. Vannah, Clerk

SUBJECT: Access to Documents filed Prior to December 1, 2003

DATE: January 30, 2012

The Judicial Conference Privacy Policy has been amended to restrict public access through PACER to all documents in bankruptcy cases and related proceedings that were filed before December 1, 2003, and have been closed for more than one year. The policy went into effect with the installation of CM/ECF Release 4.1/4.2 in November 2011.

Only court users, case participants and attorneys for case parties are now able to access documents in these cases through PACER. Members of the general public may still obtain copies of documents (except those under seal) from the Clerk's Office, either printing them directly from the public terminal or requesting they be sent via U.S. Mail. Contact the Clerk's Office at 603-222-2600 for additional information. Applicable search, copy and access fees pursuant to the existing fee schedule remain in effect.

Case dockets and other docket information remain available to the general public through PACER.
